---

## What is the Young Ambassador Program?

Anyone aged 18 to 40 with an interest in contemporary art and a desire to give something back to the arts can become an MCA Young Ambassador. Young Ambassadors enjoy a dynamic, year-long schedule of privileged, behind-the-scenes art-based events at the MCA and other arts venues across Sydney.

Our annual schedule of exclusive events gives a unique perspective on the exciting world of contemporary art. As well as receiving MCA Membership benefits, each MCA Young Ambassador will have access to exciting opportunities to view and learn about art within the MCA and across Sydney and Australia. This schedule of annual events includes an invitation to MCA exhibition openings, MCA private viewings and artist studio, private collection, corporate collection visits, commercial gallery curatorial talks and collecting contemporary art talks.

## Annual Membership

### How much is it annually?

The MCA Young Ambassadors has an annual membership fee of \$500 per person, including GST. Young Ambassador membership entitles the member to a single invitation to events.

## Monthly Payment Plan

### What is this?

Monthly Payment Plan is a convenient, no fuss way to pay your MCA Young Ambassador membership in easy monthly instalments.

### How does the monthly payment plan work?

When you join or renew you will be offered the opportunity to pay your membership dues in one payment (Annual Membership \$500) or to divide your membership dues into monthly instalment payments (Monthly Payment Plan \$42).

Your monthly payment plan fee is deducted monthly from your credit card account.

### **When will my card be charged?**

Your payments will be processed as outlined below.

- **First Payment:** Your initial payment is processed when you join or renew. You may want to note the date of this transaction so you can track when the additional payments will be processed.
- **Second – Twelfth Payment:** Each subsequent payment will be charged to the credit card you provided. If the payment falls at a weekend, we will charge you on the next working day. By choosing the monthly payment plan, you are authorizing the MCA to complete the payments as directed above with no further notice provided.
- **Payments thereafter**  
We will continue to process your monthly payments until we are notified of your wishes to end your Membership or upgrade to the Ambassador program. To cancel your Membership 30 days' notice is required.

### **What happens to my privacy information?**

Your financial information provided on your application will only be used by the MCA for the purpose intended. The MCA will take reasonable precautions to maintain the confidentiality of your records and account details in accordance with our Privacy Statement.

### **What is the cost?**

The amount is rounded to \$42 per month, making a total annual payment of \$504.

### **What happens if there isn't enough money in my account?**

Your financial institution may choose to dishonour the request if funds aren't available in your nominated credit account. If this occurs, we will reattempt the monthly debit within 10 days depending on the financial institution's dishonour reason. We suggest you contact your financial institution for a list of fees for your account, as each can be different.

### **Can I cancel the monthly payment plan?**

You are bound to a 12-month membership. The MCA will continue to process your monthly payments after the first year unless you request to end your Membership in writing. To cancel your Membership, 30 days' notice is required.
